**Hazi Trade Center, 22/14 Asiruddin Sarak, West Khbaspur, Faridpur-7800 (Represented by Md. Ohidur Rahman)**

**----Complainant**

**Versus**

**Upazila Health and Family Planning Officer, Bhanga, Faridpur.**

**---Respondent**

The complainant filed an appeal petition to Review Panel-4 of the Bangladesh Public Procurement Authority(BPPA) as per Rule 56 of the Public Procurement Rules 2008 (PPR 2008) wherein he stated that his firm Hazi Trade Center participated in a tender floated by the Upazila Health and Family Planning Officer, Bhanga, Faridpur for "Purchase of Medical and Surgical Requisites(MSR)" under six lots and submitted a bid proposal on 11.01.2024. While invoking the grounds for his appeal he stated that the Procuring Entity (PE) issued a Notification of Award (NOA) in favour of M/S Nahar Pharma showing it as the lowest responsive bidder even though the bidder should have been declared technically non-responsive as per conditions set out in the tender documents.

Hence it is ordered that-

*The appeal petition be rejected. The PE be asked to strictly follow the STD while preparing the tender documents for future procurement. The security money deposited by the complainant be refunded.*
